Dear Parents,

It's hard to believe it's already time for fall assessments! We will reassess your child again two more times before the end of year.

We will be working on these skills ALL year! Do not be discouraged if your child has not already mastered all of these skills! It takes time! Every child learns differently and at different times! Any academic skills they pick up in their first year of preschool will be beneficial for Kindergarten Prep!

Take a moment to look over your child's assessment and feel free to contact me with any questions or concerns!

Sincerely,

Mrs. Howard
